**Sanitary, Space-Saving, Saves Teachers Time and Generates \$\$\$!**

- Not just a character pillow with a handle, but also includes a full-size (36x45) fleece color- coordinated blanket.
- Child Care centers request that parents furnish their child with a pillow and a blanket daily- Cozy Doze® are an obvious, yet original, solution to this daily need!
- Because of kid-friendly handles and overall kid-size and weight, Cozy Doze® are carried happily by children - so mom and teachers are free to carry other things!
- Functional, Durable and Washable - Quality that allows daily usage and multiple washings.

Allow our expertise, knowledge and connections in the Child Care industry to work for YOU!

## Court awards for a finger amputation in a door now exceed \$500,000

Fingersafe® eliminates the risk of this type of injury at the hinged end of doors. A must where children and the infirm traffic!

Fingersafe® door safety devices are simple to install and replace on existing doors, carry a 4-hour U/L fire door rating, come in varying lengths and colors, and allow the door to operate unimpeded over 180 degrees!

Call US at 912.234.6120 Fax: 912.236.7549 www.fingersafe.com  
Fingersafe® closes the door on injuries, NOT fingers!
